Dear Mr. Whirley:

Just wanted to send of note of appreciation for the work you completed on the new Rockdale County Task Force Against Family Violence web-site. The final product went beyond our expectations. This may be due in large part to your willingness to listen to our needs and concerns and incorporate your expertise to meet our demands.

In the event anyone should require a recommendation for your services, please do not hesitate to forward them to me or the Project Director, Derek Marchman. We will be more than willing to explain how you managed to create a site that is more user friendly while elevating the viability of services.

Sincerely,

Nancy N. Bills, Judge
Rockdale County State Court
